Criminal SuperSearch: This is a Nationwide Search that conducts an instant *multi-state search of criminal records*, including the *District of Columbia*. Each Criminal SuperSearch report contains a wealth of information, including felony and misdemeanor records, sex-offender records, inmate records, and arrest information.

Sex Offender Registry: Sex Offender Registry houses sex offender records in all 50 states including the District of Columbia.

SSN Identity Verification/Address History: This is a Nationwide Search that processes SSN Verification and Address History based on SSN trace that is pulled from a database that contains over 23 billion files of addresses from multiple sources.

Single County Criminal Search: This search is conducted at the county court level for felony and misdemeanors in the county of current residence. In some instances there may be mandatory court costs. These will be treated as a pass-through fee along to our clients.
